

Dear Highlanders:

The winter quarter is in full swing and, as always, it's a great time to be a Highlander.

I plan to be sending out regular messages in the months ahead to keep the campus community updated on continued progress and new developments. Links to the items in this month's message can be found below. I also invite you to stay in touch with me on [Instagram](#).

A handwritten signature in black ink, appearing to read 'Kim A. Wilcox', is positioned above the printed name.

Kim A. Wilcox
Chancellor
