Task Force’s Charge

UCR has a foundational commitment to safety and continuous improvement of UCR’s programs and services.

The Task Force was created in response to student, faculty and staff concerns after a series of crimes in the area immediately surrounding the campus (Fall 2012 and Winter 2013). The Task Force was charged with the following:

“To examine current activities and make recommendations about additional measures to ensure the safety of our campus and nearby community.”
